All Club Presidents and Secretaries

House of Friendship — Display Booths

Enclosed is an application form for our House of Friendship Display Booths at the 2019 District Conference.

District Conference will be at Lismore Workers Club from Friday 29 March to Sunday 31 March 2019

If your Club has a project or activity that you wish to advertise or promote, this will be a great opportunity to get your message out to other Rotarians and/or the Lismore region community. Please be aware that we will be actively encouraging our local community to come along and see the work that Rotary is involved in.

Display spaces are limited and we do not have the space to mount large exhibits. We also have a limited number of backdrop panels, so please indicate if such a panel would be essential to your display. There will be **no charge for your display** and we encourage you to complete your application as soon as possible.

Each display area will be supplied with a table and 2 chairs and there are limited power outlets—please be sure to highlight your power needs on the application form. There will also be a limited number of backdrop panels available, so please be sure to indicate if such panels are vital to your display.

Please note that no raffles or competitions can be conducted at any booth.

Chris Bell is your contact for all matters pertaining to the display booths including the layout and positioning of individual booths.

Please email or post your completed application form to Chris; details of which are on the application form and detailed below:
